- b. Hazard areas are defined by red stakes, in accordance with the USGA Rules of Golf. For the water hazard in front of the back tee on Hole 13, a designated drop area is located near the front tee for Hole 4.
- c. ALL USGA Rules of Golf apply with only the following exceptions:
 - i. As provided by Rule 13-1, the ball is played as it lies except as permitted by the Rules of Golf, and in the following instances:
 1. When the white weather flag is up, players may lift, clean and place balls (within 6 inches, no closer to the hole) from tee through the green.
 2. Players may, without penalty, lift and place balls (within 6 inches, no closer to the hole) when their balls come to rest in a crack in the ground caused by dry conditions. (March 18, 2014)
 3. When a player's ball comes to rest in the maintenance groove which separates the green from the fringe, the ball is considered to be on the green. When the player's ball lies in the maintenance groove or on the green, sufficiently close to the maintenance groove that the fringe of the green impedes the player's putting stroke, the player may take relief by placing the ball either on the fringe or the green (at the player's discretion) at a point, no closer to the hole.
 4. Man-made wells around a tree or bush on the course and gardens on the course adjacent to any walls defining the boundary of the course may be treated as abnormal ground

conditions as defined by Rule 25.1 and appropriate relief may be taken one club length from nearest point of relief not closer to the hole. (March 18, 2014)

5. If a player's ball comes to rest in (a) the garden area to the right of the cart path adjacent to 3/12 green or (b) the garden area immediately behind number 7 blue, 16 red/white tee the ball must be played, without penalty, from the marked drop area adjacent to each garden area. (December 20, 2016)
- d. - e. Play is prohibited in areas of the course clearly marked as being under repair or maintenance. A ball coming to rest in such an area must be dropped within one club length of the nearest point of relief, no closer to the hole. The option to play the ball as it lies in such areas does not exist due to the potential for damage to the course.
- f. The area to the left of the green on hole 6/15 which is commonly used as an alternative cart path is considered to be Ground Under Repair. A ball coming to rest on dirt path can be dropped etc.
- g. USGA Rules 18-2, 18-3 and 20-1 are modified as follows:

When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent or any of their caddies or equipment. The moved ball or marker must be replaced as provided in Rules 18-2, 18-3 and 20-1. This local rule applies only when the player's ball or ball-marker lies on the putting green and any movement is accidental.
- h. Balls Lost or Out of Bounds: Alternative to Stroke and Distance

Golfers have the option to drop the ball in the vicinity of where the ball is lost or out of bounds (including the area nearest fairway), under a two-stroke penalty. It addresses concerns raised at club level about the negative impact on pace of play when a player is required to go back under stroke and distance.
